2. MACHINE EXAMINATION

Scrutineering will take place on Saturday 9th November 2024 at the service park.

It is recommended that all machines be fitted with a lanyard operated cut out device as described in the ACU Handbook (page 8, TSR8 of Trials Standing Regulations)

All riders must clearly display a yellow registration plate on their bike, it must be positioned vertically and always be visible whilst on the public road, you will be refused to start should your plate not be adequate, judges of fact will monitor this throughout the event.

An environmental mat should be positioned underneath the machine whilst parked and whilst refueling as per ACU Environmental Code.

All riders should ensure their bikes are registered, insured and compliant with either daytime MOT requirements (UK) or in the case of Jersey or Guernsey registered machines which should comply with the Jersey Road Traffic Act.

5. Signing on

Competitors must report to sign on and collect their numbered bib before the event start time. Further details will be provided in the Final Instructions.

You will need to present either a paper copy OR a digital version of your license, failure to do so may result in you being refused to start. One day licenses are available at a cost of £5.00 per license and must be paid for when entering the event online.

6. Numbers

Riders must wear numbered bibs or number boards supplied which must always be visible and must be returned to the "sign off" officials either on retiring or at the end of Day 2 when you will be signed off as a finisher and receive your finishers award. Should you misplace or lose it you will be asked to pay for a replacement to be purchased at a cost of £50.

7. Course/Route

This Trial includes the use of public highways. Road marking will be used as necessary. **Sections must be taken in the correct sequence;** any competitor failing to do so will be penalised or excluded from the results at the discretion of the Clerk of the Course. **This will be policed by club officials.**
